July 29, 2010

As Mayor of the District of Columbia, it is my pleasure to extend greetings to the US Youth Chamber of Commerce, on the occasion of your Young Professionals Network event.

This event brings together youth to network, discuss ways to become more involved in their respective communities, and develop leadership skills that will help them become productive citizens. As you gather to discuss issues of concern, we look forward to help enhance the quality of life for yourselves and others.

On the behalf of the residents of the District of Columbia, you have my best wishes for an enjoyable and productive event.
